

Notice of survey work on Tixall Road, Mill Lane and Hoo Mill Lane

February 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Working on behalf of HS2 Ltd, Kier is carrying out surveys and investigating ground conditions along the Phase 2a route

What we are doing

We will be carrying out ground penetrating surveys to help us identify the location of buried utility services, such as gas, electric or water. These surveys are non-intrusive, we will use a machine that transmits an electromagnetic pulse into the ground. These pulses reflect off features in the ground, allowing us to collect data and to understand the depth of the buried utility services.

Along with ground penetrating surveys, we will carry out several other surveys along the Tixall Road, Mill Lane and Hoomill lane

When the work will take place

Work will take place from **Monday 21 February to Friday 11 March 2022**. Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances. We will notify you in advance of any changes.

Covid-19

We are working in line with Government and Public Health England (PHE) advice on working safely during the pandemic. For all events and engagement, we will carry out a risk assessment and put in place control measures to manage the risk of Covid-19 to the public and our staff. If you have any questions about this, please contact our Helpdesk to find out more. The health and safety of our workforce and the communities we affect is our key priority.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

How this will affect your journey

On **Monday 21 February** from **9am** to **5pm** we need to close Hoo Mill Lane. No diversion route will be required, and we will maintain access to all properties within the traffic management set up.

On **Tuesday 22** to **Friday 4 March** from **8pm** to **5am**, we need to install temporary traffic lights on Mill Lane and the junction of Tixall Road. The location will differ on each day as we move along the carriageway. Please allow additional time for your journey during this time.

On **Thursday 24** to **Friday 11 March (excluding weekends)** from **9am** to **4pm**, we need to install temporary traffic lights on Tixall Road. The location will differ on each day, day as we move along the carriageway. Please allow additional time for your journey during this time.

How we will minimise disruption

To minimise disruption, we will be undertaking the work using temporary traffic lights where possible. The nature of the work is non-intrusive and should not affect nearby properties. We will maintain access to all properties within the traffic management set up.

About our Community and Business Funds

Two funds are now open for applications from local communities and businesses affected by the construction of HS2. They are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF). £5 million has been allocated to the funds for phase 2a of the railway.

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
